transcosmos receives approval by METI to renew its DX Certified Business Operator certification

As a Global Digital Transformation Partner, enhances initiatives towards higher corporate value and a sustainable society

transcosmos is proud to announce that on April 1, 2024, the company renewed its certification as a DX Certified business operator under the certification system run by the Ministry of Economy, Trade and Industry (METI), after going through a screening process by INFORMATION-TECHNOLOGY PROMOTION AGENCY, JAPAN (IPA).

●DX Certification System

•The DX Certification System (no translation available: <https://www.ipa.go.jp/ikc/info/dxcp.html>) is Japan's initiative to certify companies that have developed visions, strategies and systems to achieve digital transformation (DX), and are recognized as DX Ready to drive DX initiatives in accordance with the Digital Governance Code set by METI based on the Act on Facilitation of Information Processing.

•Find out list of DX certified business operators here (no translation available): <https://disclosure.dx-portal.ipa.go.jp/p/dxcp/top>

transcosmos first certified as a DX certified business operator under the DX Certification System in April 2022. The company successfully renewed its certification in April 2024.

●transcosmos DX Initiatives

transcosmos will achieve high growth and profitability as a DX company that solves our clients' challenges with high value-added solutions by combining professional people and the latest technologies.
