With the transcosmos SDGs Committee chaired by Representative Director & Chairman in place, transcosmos has a framework specifically designed to execute its initiatives towards meeting social challenges and expectations with a focus on environmental, social and governance (ESG) criteria.

In addition, with the aim of driving its ESG initiatives to create a sustainable society and enhance its long-term corporate value, transcosmos has set out a fundamental sustainability policy. In its fundamental sustainability policy, transcosmos states that “Staying true to our fundamental management philosophy that client satisfaction is the true value of our company, transcosmos is committed to co-create a wellbeing society together with our clients. Our corporate purpose is to contribute to achieving the SDGs and promote ESG-related initiatives as a Sustainable Transformation Partner for all.” Committed to this policy, transcosmos is carrying out activities to become a Sustainable Transformation Partner for all with the purpose of boosting the well-being of society as a whole.

Now, transcosmos established the transcosmos Human Rights Policy based on its Fundamental Sustainability Policy on July1, 2023. transcosmos upholds “people & technology” as the origin of its business, in other words, people are an integral part of its business. transcosmos hereby declares its commitment to respecting human rights of all stakeholders in everything the company does in all areas of its business.
