## transcosmos's Chinese subsidiary celebrates 30th anniversary

**Since its entry into China in 1995, providing system development and integration, and IT support services**

transcosmos is delighted to announce that on October 10, 2025, the company celebrated the 30th anniversary ceremony of its Chinese subsidiary with 240 guests, including its clients. The ceremony was held at the Ritz-Carlton, Tianjin, China, under the theme of Building on 30 Years of Trust, Towards a Bright Future.

transcosmos entered the Chinese market and established transcosmos Information Creative (China) Co., Ltd.

(Headquarters: Tianjin, China; President: Kokkei Nakayama), a subsidiary specializing in system development in 1995. The company provides outsourcing services with a focus on system development, system integration, and IT technical support. Building on its expertise and system development and operational capabilities acquired over the years, the company provides high-quality, cost-competitive services with over 1,600 members across centers in China and Japan. The company maintains high-level operations, earning both ISO9001 and CMMI Level 5 certifications through its proprietary developed quality management system.

At the ceremony, the company received congratulatory messages from many clients and looked back at its 30-year history. During the reception, guests enjoyed Chinese cuisines and fine drinks, along with elegant performances showcasing traditional Chinese music—including Chinese fiddles, lutes, zithers, and flutes. The company also presented Beijing Opera, an impressive acrobatic show, and the popular Sichuan Opera “Bian Lian (Mask Change),” offering guests a rich experience of oriental art through beautiful arias and captivating performances.
