transcosmos to hire top athletes as new graduates through Athnavi, a job support program by JOC

Aims to transform every employee's mindset and invigorate the organization by welcoming top athletes

transcosmos today announced its decision to hire two new graduates—top athletes striving to win on the world stage—through Athnavi, an employment support website administered by the Japan Olympic Committee (JOC). By incorporating athletes' challenging spirit into the corporate culture, transcosmos aims to invigorate the organization and promote diversity in the workplace.

By hiring top athletes who demonstrate a challenging spirit, persistence, and a strong will to grow, transcosmos aims to transform every employee's mindset and further invigorate the organization. transcosmos believes that athletes' commitment to realizing their dreams will inspire employees and, in turn, lead to the company's growth.

■Prospective employee profile

Comment: To achieve my goal of winning a medal at the [Los Angeles 2028 Summer Olympics](#), I will continue to challenge myself along with all employees. Although there are setbacks in shooting, I will devote myself wholeheartedly, believing that my dream will come true if I do not give up and continue making sincere efforts, while always remaining grateful to everyone around me. At the same time, I also hope to continue growing as a person and as a member of society.

Athlete Name: Mako Hiraizumi Sport: Triathlon
