## transcosmos receives approval from METI to renew its DX Certified Business Operator certification

### Aiming to enhance its corporate value and achieve sustainable growth through AI and digital

transcosmos is proud to announce that on April 1, 2026, the company renewed its certification as a DX Certified Business Operator under the certification system administered by the Ministry of Economy, Trade and Industry (METI), following a screening process conducted by the Information-technology Promotion Agency, Japan (IPA).

## Digital Transformation Certification

### ●DX Certification System

•The DX Certification System (no translation available: <https://www.ipa.go.jp/digital/dx-nintei/about.html>) is Japan's initiative to certify companies that have developed visions, strategies and systems to achieve digital transformation (DX), and are recognized as DX Ready to drive DX initiatives in accordance with the Digital Governance Code set by METI based on the Act on Facilitation of Information Processing.

•Find out list of DX certified business operators here (no translation available): <https://disclosure.dx-portal.ipa.go.jp/p/dxcp/top>

transcosmos was first certified as a DX Certified Business Operator under the DX Certification System in April 2022. This marks the company's second successful renewal, following its previous renewal in 2024.
