transcosmos receives Committed Badge for EcoVadis Sustainability Assessment

Recognized for its environmental, social, and governance (ESG) initiatives

transcosmos today announced that it has received the EcoVadis Committed Badge through the EcoVadis Sustainability Rating assessment conducted by EcoVadis, a global sustainability ratings provider headquartered in France.

The Committed Badge is awarded to companies whose efforts toward sustainability business management have been recognized through the EcoVadis Sustainability Rating assessment. The assessment evaluates companies across four themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. The badge reflects a company's continuous improvement efforts and commitment to advancing sustainability.

EcoVadis is a global sustainability ratings provider that assesses companies' sustainability performance across four themes: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. More than 250,000 companies in 185 countries are covered by its assessments, and many global companies use EcoVadis ratings as a criterion for supplier evaluation and vendor selection.

■ Approach to the EcoVadis sustainability rating

To further advance its sustainability management, transcosmos is strengthening its efforts related to the EcoVadis Sustainability Rating, an internationally recognized sustainability assessment. In recent years, stakeholders, including clients and investors, have increasingly called for initiatives and disclosures related to environmental, social, and governance (ESG) issues. transcosmos has continuously promoted efforts to reduce its environmental impact, respect human rights, and strengthen compliance. In recognition of these efforts, the company has received the Committed Badge.

transcosmos will continue to advance its sustainability-related initiatives and aim for higher ratings.
