Notice regarding differences between consolidated performance of March 2014 and the same period of the previous year

We are providing notification, per below, that there is a difference with regard to consolidated performance for March 2014 (April 1st, 2013 to March 31st, 2014) and performance during the same period the previous year.

Record

1. Difference between consolidated performance of March 2014 and the same period of the previous year

	Net sales	Operating income	Ordinary income	Net income	Current net income per share
	millions of yen	millions of yen	millions of yen	millions of yen	Yen
Performance during the same period of the previous year(A) March 2013 Period	166,335	7,253	8,507	4,919	119.57
Performance during the current period (B) March 2014 Period	186,503	9,541	10,082	6,289	152.87
Difference (B-A)	20,167	2,287	1,574	1,369	
Difference (%)	12.1	31.5	18.5	27.8	

2. Reason for the difference

Consolidated performance for the March 2014 period saw an increase in revenue and profit resulting from an expansion in demand for IT Services centered in the standalone services segment.
