## transcosmos wins multiple awards in China for its design support services for the construction industry

**Winners are transcosmos Design Development (Dalian) Co., Ltd. and Daqing transcosmos design development Co., Ltd., transcosmos's Chinese subsidiaries that offer services primarily to Japan**

transcosmos Design Development (Dalian) Co., Ltd. (Headquarters: Dalian, China; Chairman: Tsutomu Hasegawa; transcosmos Design Development (Dalian)) and Daqing transcosmos design development Co., Ltd. (Headquarters: Daqing, China; Chairman: Tsutomu Hasegawa; Daqing transcosmos design development), wholly owned subsidiaries of transcosmos inc. (Headquarters: Tokyo, Japan; President and COO: Masataka Okuda), received multiple awards from various associations in China.

Founded in January 2006, transcosmos Design Development (Dalian) started its business with a prime focus on offering CAD-based design support services that require a high level of expertise. Since then, the company has continued to expand and launched corporate back-office business and services for the Chinese local market in 2014 and 2016, respectively. Daqing transcosmos design development was founded in October 2013, and offers offshore design data development and architectural design back-office services for clients in the housing and the housing equipment industries in Japan.

Now, highly recognized for their high level of expertise and service quality in these services, the two companies won the following awards from respective organizations.

### ■ transcosmos Design Development (Dalian): Received Excellent Member Awards and Growth Company Awards from the Dalian Association of Service Outsourcing Providers

The Dalian Association of Service Outsourcing Providers, led by the Dalian Foreign Trade and Economic Cooperation Bureau, was established on October 26, 2012. The association is a non-profit organization which consists of companies that engage in the ITO, BPO, and KPO industries, training institutes of human resources for the outsourcing industry, and other outsourcing institutions. The

association presents Excellent Member Awards to companies that contribute to the outsourcing service industry in Dalian every year. transcosmos Design Development (Dalian) won the awards for two consecutive years from 2016. What's more, the company received the "Growth Company Awards" on top of the "Excellent Member Awards" in 2017.

■ **transcosmos Design Development (Dalian): Received BEST EMPLOYER AWARD from zhaopin.com**

Founded in 1994, zhaopin.com is the largest staffing and educations services provider in China. Zhaopin.com annually presents the "China Best Employer" awards to each city. transcosmos Design Development (Dalian) received the "China's Best Employers, Dalian" award for the third straight year from 2015.

■ **Daqing transcosmos design development: Received the Advanced Technology Company Awards from Daqing provincial government**

Daqing city was certified as one of the 20 outsourcing model cities in China in January 2009. In 2017, with the aim to expand the city's outsourcing service business, the city started an award program which recognizes excellent outsourcing service companies that support the city's economic growth.

In 2017, 4 companies among all the companies that operate the business in Daqing city received the award and Daqing transcosmos design development won the "Advanced Technology Company Awards".

transcosmos Design Development (Dalian) and Daqing transcosmos design development deliver services that require a high level of expertise whilst improving service quality through daily training in order to offer high quality services that are equivalent to the services offered in Japan. transcosmos continues to support clients' businesses by offering its high value-added BPO services.
