transcosmos forms a capital and business alliance with RaBlock, a company which develops blockchain systems

Delivers highly reliable outsourcing services with the power of blockchain technology

transcosmos inc. (Headquarters: Tokyo, Japan; President and COO: Masataka Okuda) is pleased to announce that the company has formed a capital and business alliance with RaBlockCo., Ltd (Headquarters: Tokyo, Japan; Representative: Yoshihide Nagase), a technology company that develops and offers blockchain systems, on December 28, 2018. With this alliance, transcosmos will offer its outsourcing services powered by RaBlock's blockchain technologies to clients across diverse industries.

Rablock

Blockchain Technology

Founded in June 2018, RaBlock specializes in developing blockchain systems and offers "RABLOCK BLOCKCHAIN PLATFORM," its proprietary business blockchain development platform among other blockchain related services. On October 18, 2018, "RABLOCK BLOCKCHAIN PLATFORM" won both the second prize and the blockchain award at "Nikkei x TECH EXPO AWARD 2018", an award session held during the "Nikkei x TECH EXPO 2018" by Nikkei Business Publications, Inc (Nikkei BP). Nikkei BP highly recognized the platform for its capabilities to help users build a blockchain environment at an affordable price at speed, eliminating time and costs that would otherwise be required to develop blockchain systems.
