transcosmos renames its agile software development subsidiary in Vietnam transcosmos technology Vietnam co., ltd

The renamed company offers solution development services for the Japanese and ASEAN markets

transcosmos inc. (Headquarters: Tokyo, Japan; President & COO: Masataka Okuda) hereby announces that the company renamed transcosmos Technologic Arts Co., Ltd. a wholly-owned subsidiary that offers agile software development services in Vietnam, “transcosmos technology Vietnam co., ltd.” on April, 15, 2022. Daisuke Kamada became the CEO of the renamed company.

transcosmos Technologic Arts was established as a joint venture with Technologic Arts Co., Ltd. in 2014 and became a wholly-owned subsidiary of transcosmos in 2017. As an agile software development company, it offers solution development services for Japan and ASEAN nations. With many Drupal and Acquia certified engineers – both world-leading CMS platforms - and qualified PMPs (Project Management Professional), the company also provides serverless application development services as a certified AWS Partner.

Along with the change in the company name and organizational structure, transcosmos technology Vietnam plans to increase its engineers. By the fiscal year 2023, the company aims to go beyond Ho Chi Minh and enter new cities and open new sites. Going forward, transcosmos technology Vietnam will work more closely with transcosmos and develop platforms for transcosmos Group to deliver a range of outsourcing services (contact centers, BPO, digital marketing and e-commerce) in Japan and overseas. Ultimately, as a member of transcosmos Group, transcosmos technology Vietnam will offer the optimum One-Stop Services for transcosmos clients.
