transcosmos becomes a registered Kawasaki SDGs Partner

With the goal of achieving a sustainable future where no one is left behind, helps raise awareness of SDGs

transcosmos inc. (Representative Director, Co-presidents: Koichi Iwami, Masaaki Muta) is proud to announce that the company has become a registered Kawasaki SDGs Partner.

The Kawasaki SDGs Partner program is run by Kawasaki city. Under this program, Kawasaki city registers and certifies businesses and organizations that take actions to help achieve the Sustainable Development Goals (SDGs). Today, a total of 3,145 (405 registered, 2,740 certified) businesses, organizations, NPOs, schools and various other members across industries are registered and certified as Kawasaki SDGs Partners.

transcosmos has been promoting the employment of persons with disabilities. In Kawasaki city, the company has the headquarters of transcosmos assist inc. (President: Hiroyuki Kohara) - its special purpose company that was approved by the Ministry of Health, Labour and Welfare that was established as a subsidiary specifically for promoting the employment of persons with disabilities. As a business with its footprints in Kawasaki city, transcosmos supports the Kawasaki SDGs Partner program, and is now registered as a partner.

With the aim of creating a sustainable future where no one is left behind, transcosmos will continue to help achieve the SDGs.
