transcosmos inc.

transcosmos becomes a registered business under the Chiba SDGs Partner Registration Program

Drives key initiatives and partnership to spread and help SDGs initiatives in Chiba prefecture

transcosmos inc. (Representative Director, Co-presidents: Masaaki Muta, Takeshi Kamiya) is proud to announce that the company has become a registered business under the Chiba SDGs Partner Registration Program.

Under the Chiba SDGs Partner Registration Program (no translation available:

<https://www.pref.chiba.lg.jp/seisaku/sdgs/sdgs-touroku.html>), Chiba prefecture widely publicizes companies and organizations in the prefecture that are actively working towards achieving the Sustainable Development Goals (SDGs) and introduces how their activities contribute to achieving the SDGs, thereby supporting such companies and organizations.

In Chiba prefecture, transcosmos has been creating many jobs at its contact center CX Square Chiba Ichikawa and E-Commerce One-Stop Center Kita-Kashiwa, a center that offers e-commerce one-stop services. As a business with its footprint in Chiba prefecture, transcosmos supports the prefecture's concepts - a sustainable society where diverse people can play an active role - and registered to the program. transcosmos Chiba area holds SDGs study sessions for employees, covering topics of diversity management, gender equality, etc. as a way to raise awareness about the SDGs.

With the aim of spreading and serving SDGs activities in Chiba prefecture, transcosmos will continue to drive its key initiatives and partnership with various parties.

transcosmos SDGs Declaration – Commitment to achieving the SDGs

We are committed to creating a sustainable society in partnership with other companies working on promoting the SDGs as well as various local organizations, schools, etc.

- We protect the rights of all workers including female and precarious workers, and promote a safe and secure work environment.
- We have endorsed the TCFD recommendations and are disclosing climate-related financial information in line with the

recommendations while taking action to help fight climate change through business activities.
